

# Orbit Setup Instructions

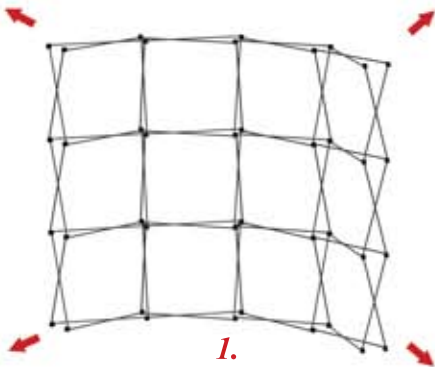

**BALLANCE  
DISPLAY**

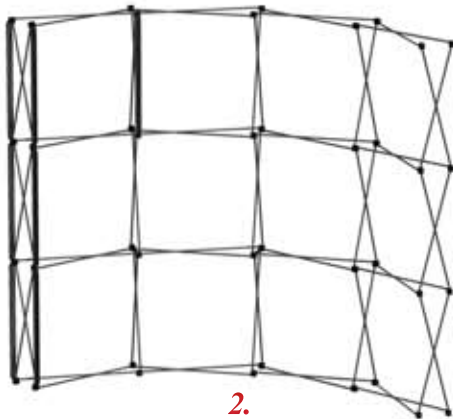

A Division of Ballance Design Ltd.

## Component list for your Orbit Display

- 1 Frame (size dependant on model)
- 18 (8ft model) or 21 (10ft model) Magnetic channel bars
- 3 (8ft model) or 4 (10ft model) Main panels
- 2 End cap panels
- 1 podium case (optional podium wrap)
- 1 black lid insert
- 2 halogen lights

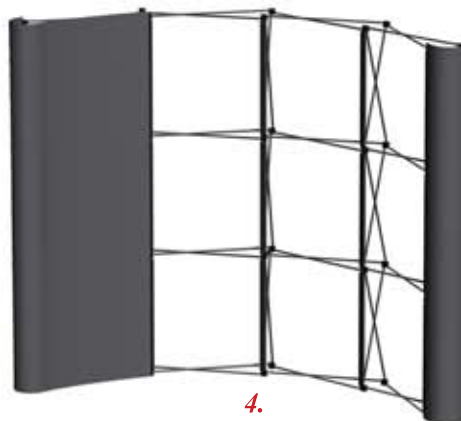

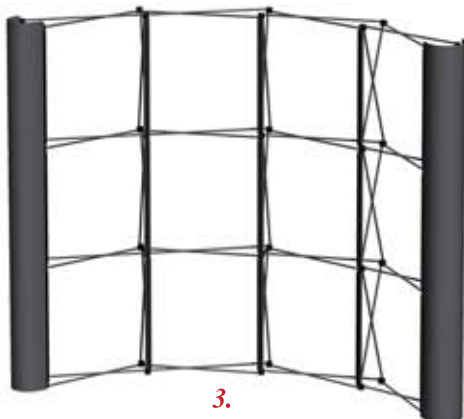

1. Remove your Orbit frame and proceed to pull from the corners to open the frame, and allow the magnets to lock together.

2. Once your frame is open, start placing the mag strips into the magnetic grooves located within the frame hubs.

3. Align all the yellow nodes on the back of the panels to the yellow nodes on the frame. Then align the magnets to the magnets on the channel bars.

4. Now after the encaps are attached proceed to place the rest of the panels to finish the construction of the booth
