Round Up Podium

RoundUp

Looks Great!

Ideal viewing area, light weight and compact. This is a perfect solution for a round podium!

By purchasing multiple table plates the possibilities become endless. We've only shown a few examples here but you can create just about any type of podium as long as it remains the same width.

Included with the round up is 1 magnetically sealing podium wrap as well as 2 table tops. 1 Top and 1 Bottom, but as we mentioned you can purchase any number of them to customize your Roundup.

Add multiple Tiers!

Simply Purchase one or more centre plates to create a podium of your choosing.

Each Tier can be created to the height of your choosing not to mention the option of having a plexiglass case.

These podium are weight tested to 75lbs and are extremely sturdy.
