**If you are looking for a great way to display your message, look no further. The Single Sided Retractable is a great Banner for so many situations!**

The Single Sided Retractable system, is perfect for someone who is concerned about protecting their graphics. The retractable graphic pulls out from the base and hooks onto it's support that either conveniently attaches to the foot of the bannerstand or slips right into the base. It couldn't be simpler!

The 4 sizes of retractables are:

- 23.5"W x 70T
- 33.5"W x 88"T
- 47"W x 88"T
- 59"W x 88"T

### Retractable Graphic

These Banner Stands couldn't be any easier to work with. Similar to a window blind all you do is let the graphic recoil into the base for protection and storage. (33.5" x 88" version shown)

### Included Carrying Case

When in its protective carrying case your Banner Stand is well protected and is ideal for carry on luggage! (33.5" x 88" version shown)

### Features

- adjustable feet for uneven floors
- 3 piece foldout pole
- carrying case

### Optional Lighting

### Adjustable Feet

The unique design of this bannerstand leaves it looking sleek and attractive and yet remains firmly standing on any floor uneven or not.

*A superior quality system covered by \*Lifetime warranty on the hardware* \*against manufacturers defects
