Stand out from the Crowd!

The Wave is our most compact and lightest display system. Its one piece Fabric Graphic slides and zips over an aluminum frame. It's available with a single or double sided graphic and custom sizes are also available.

And it only weighs 40lbs!

Kits include fabric print, interlocking aluminum frame, and carrying case (below). Hard shell case and lighting available

Above - Labelled pop-button connectors make setup a snap!

Left - Sturdy weighted feet to make sure your booth stands firm!

Right - Graphic sleeve slips over the top of the frame and zips along the base.

Vertical: - 88" or 115" W

Horizontal: - 80" or 108" W

Straight: - 88" or 115" W
