# Snap Edge Outdoor Sign

Sidewalk

High quality wind and theft resistant system, with our snap edge frame.

These double sided outdoor signs also allow for incredibly easy change of graphics.

The Sturdy spring system and water / sand filled base holds enough weight to withstand strong gusts of wind.

The sign stands 47”H by 26”W

This unit is also on two wheels, and has a sturdy hand grip which is great for maneuverability

**To install your Graphics (23.5”W x 33.25”H) just snap open the sides of your frame and install. It also includes a clear plexiglass cover that helps protect your graphic from everyday wear and tear!**
